LUXURY HOTEL COLLECTION

THE SLEEP EXPERTS

A BRAND SYNONYMOUS WITH PERFECT SIMPLICITY, EVERYDAY LUXURY AND IMPECCABLE QUALITY

Precious moments of uncomplicated happiness are a constant inspiration for luxury lifestyle brand The White Company, and it is with these in mind that it creates built-to-last collections – principally in white.

Today, the company that began life as a 12-page mail order brochure back in 1994 has become one of the UK's fastest growing multi-channel retailers, with over 15 years' expertise blending.

The finest fragrance collections for home and body. From skilfully crafted, hand-poured scented candles to beautifully fragranced body lotions, their everyday luxury ethos is evident in every product. Think timeless style, quality – not quantity – and meticulous attention to detail.

THE WHITE COMPANY FLOWERS

This iconic hotel amenities range is beautifully fragranced with Flowers: a perfect, light and floral combination, with notes of jasmine, rose and neroli. The luxurious, minimalist design complements both contemporary and traditional interiors.

THE WHITE COMPANY NOIR

This impeccably stylish, unisex range is presented in sleek black bottles with contemporary features to create a truly indulgent experience. Noir is the ultimate scent to relax and revitalize body and mind, with notes of exotic amber, fresh mandarin and aromatic sandalwood.
